GIFT GUIDE 2010
Third Grade
Gifts for an 8-Year-Old or 9-Year-Old

$11-$50

**Young Woodworker’s Project Kit**
This very cool set contains all the nails, glue, and pre-cut wooden pieces junior woodworkers need to make a toolbox, treasure chest, and small display shelf.

http://www.education.com/gift-guide/item/young-woodworkers-project-kit/

**Super Art Studio**
With watercolors, pencils, pastels, and more packed neatly into a sleek aluminum carrying case, this 140-piece set has all the basics covered and then some.

**Hide and Eeek!**
This simple concentration game has a cute rating that’s off-the-charts. Search the field for elephants that are higher or lower than the number on your card.

**Sensational Strawberries**
If you’re going to have a plant, make it strawberries! Quick to sprout and easy to grow, this plant kit makes for (almost) instant gratification.

http://www.education.com/gift-guide/item/sensational-strawberries/

**Horse Drawing Studio**
Unite your kid’s love of horses with his love of drawing with this kit packed with pastels, pencils, poseable horse models, and a step-by-step drawing book.

LEGO Ferocious Creatures

This fresh addition to the LEGO Creator line shimmies and chomps in a new way. Build a crocodile with snapping jaws, a dinosaur, or a deep sea fish.
