THE ULTIMATE CAR KIT CHECKLIST

You know you need something in your trunk for emergencies, but, like most people, you probably haven’t gotten around to it yet. No matter how long or short your trip, make sure you’re prepared in case of emergency. Here’s a checklist of fifteen essentials to keep in your car, brought to you by the American Red Cross:

- First aid kit and manual
- Flashlight and extra batteries
- Puncture kit to repair tires
- Gas funnels
- Matches
- Bungee cords
- Gloves
- 45 minute emergency wax flare
- Glow stick
- Electrical tape
- Emergency survival blanket
- Rain poncho
- Orange safety vest
- SOS sign for the windshield
- Water
